LETTER OF DEFICIENCY
No. ARD 2000-013

Dear Mr. Dowd:

The New Hampshire Department of Environmental Services, Air Resources Division (DES), has reviewed the actions taken by Tractebel Power's Pinetree Power – Tamworth facility (Pinetree-Tamworth) in response to the Letter of Deficiency No. ARD 2000-013. DES has determined that the specific issues addressed in the Letter of Deficiency have been resolved in a manner consistent with the NH Admin. Rules Env-A 100-3600, NH Rules Governing the Control of Air Pollution. Based upon DES's determination that compliance with the Letter of Deficiency has been achieved, DES issues this Letter of Compliance.

Please be advised that DES will continue to monitor the compliance status of Pinetree-Tamworth. This letter does not provide relief against any existing or future violations. It is important that Pinetree-Tamworth be aware of all the requirements stipulated in its Title V Operating Permit TV-OP-018. Please feel free to contact DES should you have any questions regarding compliance with the terms and conditions of the Title V Operating Permit.

If you have any questions regarding this Letter of Compliance, please contact Ms. Mary Ruel, Enforcement Section Supervisor, Compliance Bureau, Air Resources Division, at (603) 271-6795. Thank you for your cooperation.

Sincerely,
